1. Heading out of the Unidos por Siempre Orphanage gate, take a right. Head back towards the direction of the paved road. Go on the paved road.

2. Continue down the slight hill, until the bottom. Turn right and then make your next left (pictured below). This will lead you back to the main road with the red Roma store on the corner.

3. When you reach the red Roma store, turn right to head up the hill.

4. Take this road all the way until it ends, where there is a blue Chevron gas station on your right. You will go up and down hills, curves, through stop signs, and over speed bumps.
5. Once the road ends and you reach the blue Chevron gas station, turn right!
6. Follow this road back to the highway, Boulevard 2000. Before you reach the bridge to go over the highway, you need to go to the right! Do NOT go over the bridge!

7. Merge onto this highway, Boulevard 2000. Take this highway for a while.

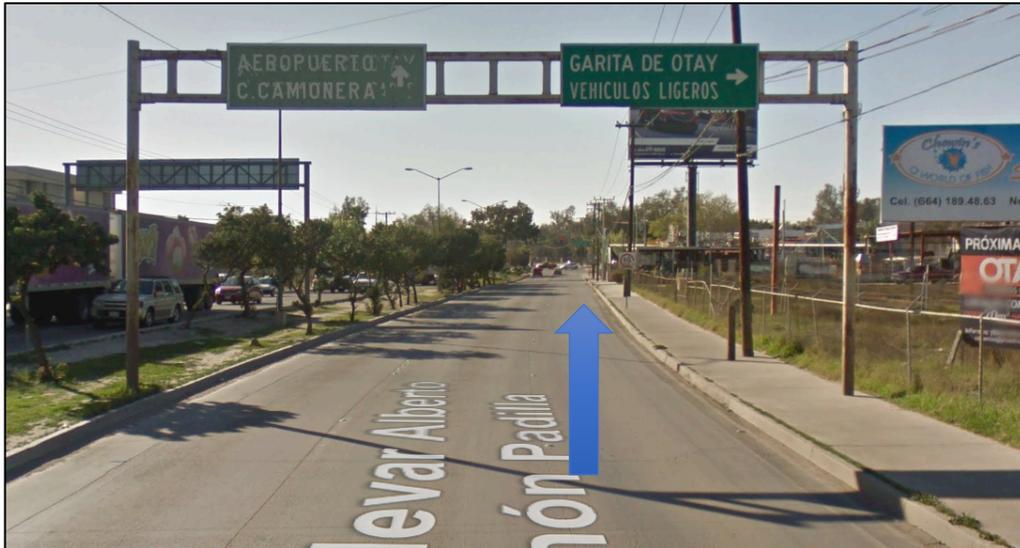

8. You will eventually reach an exit to Tijuana – San Diego. Take this exit to the right!

9. After a little while on this highway, you will enter Otoy. You'll encounter two large towers and a stoplight (pictured below). Keep going straight through Otoy. Stay in the 2nd from the left lane! You'll go through stop signs, more stop lights, and over a bridge. Just keep your caravan together as best you can. Stay in the 2nd from the left lane! You can follow the overhead signs to Garita de Otoy.

10. After the bridge, you will see an overhead sign for Garita de Otay (pictured below). Move into the right lane and get prepared to turn right at the next stoplight!

11. At the next stoplight, there will be another sign for Garita de Otay. There will also be a tire shop on the right corner. Make a right here!

12. Get your caravan into the 2nd from the left lane and stay there all the way until the border. Watch for stopped traffic, as you get closer to the border!
